

# Growfast Partnership Packages

## Package – ₹3,000 / Year

### **Ideal For:**

Startups and professionals looking for a simple way to get listed and access community profiles for one-to-one networking, lead generation, and availing services from other community members.

### **Includes:**

- Online platform access on the Growfast portal.
- Growfast Marketplace visibility to access leads and business queries from across the globe.
- Lead generation and opportunity posting via GF Marketplace, enabling engagement with active buyers and partners.
- Annual management support by the Growfast team for your listing, with access to webinars and workshops conducted by Growfast.

### **Perfect For:**

Individuals and small businesses starting their digital journey.

## Connection Package – ₹7,500 / Year

### **Ideal For:**

Businesses seeking visibility, credibility, and networking opportunities within the Growfast community.

### **Includes:**

- Integration with Growfast's global online networking ecosystem for startups and companies looking to connect, discuss, and generate leads both in India and internationally — including the UK, Dubai, Hong Kong, Abu Dhabi, and other regions. These sessions are held every Friday at 5 PM, offering approximately 48 global networking sessions annually.
- All features from the Basic Package.
- Access to the Growfast online networking platform connecting with vendors, companies, and professional service providers globally.
- Coverage across 100+ categories and 1,000+ verified members.
- Opportunity to engage in community discussions, visibility drives, and business collaborations.
- Inclusion in Growfast's visibility and referral network initiatives.

### **Perfect For:**

Businesses aiming to expand their network, gain global exposure, and strengthen their brand presence through the Growfast community.

## Elite Package – ₹1,00,000 / Year

### Ideal For:

Businesses aiming for high visibility, international exposure, and investor access.

### Includes:

- All benefits included in the Connection Package
- Personalized lead-generation campaigns to make webinars interactive and result-driven, featuring live Q&A sessions and prospect engagement.
- Dedicated marketing and outreach by the Growfast team, including promotions, audience acquisition, and direct company outreach to ensure qualified participation.
- 5 global campaigns across India, the UK, and Dubai focused on visibility, networking, and business development.
- Marketing and branding support through Growfast's online and offline community network.
- Access to over 2,00,000 users on the Growfast portal and participation in international outreach initiatives.

### Payment Structure:

- **Initial Tranche – ₹20,000:**  
Covers Growfast's marketing setup, promotions, and audience-building before the first campaign.
- **Initial Tranche – ₹20,000:**  
Covers Growfast's marketing setup, promotions, and audience-building before the first campaign.

**Additional Option:**

A customized engagement plan at ₹75,000, which includes one global marketing campaign curated exclusively for your business — helping you evaluate responses before upgrading to the full Elite Package.

**Perfect For:**

Businesses aiming to expand their network, gain global exposure, and strengthen their brand presence through the Growfast community.
