Meet Arati Mukerji

With over three decades in global Communications, Brand & Sustainability, Arati has served in leadership roles across Fortune 500 companies. She brings brand scale-up and brand turnaround expertise in 190+ markets with differentiated and disruptive strategies, integrated & impactful storytelling across B2B and B2C environments in wide-ranging industries including telecom, technology, automotive, manufacturing, media & entertainment, mobile gaming, financial services, FMCG, and aviation, to name a few.

She has led sustainability as a business strategy for Africa-India-Middle East and partnered with international organizations for sustainable mobility & environment, and economic development of communities as well as served as a Board Member.

Meet Aarti Mukerji

Employer Brand Strategy (EVP)

Attracting and retaining employees involves a very strategic 360 degree approach. We create your employer brand strategy and power it up with a differentiated employee value proposition to drive your integrated, internal/external marcom.

Employee Engagement & Culture Communications

Culture and Values define an organisation with consistent engagement and a steady drumbeat. We build creative campaigns to solve and scale-up the employee engagement quotient.

PR & Media Strategy, Media Training

Ensuring a consistent stream of visibility externally has a positive impact on all stakeholders. We help with the strategy aligned to your business, manage media, and also coach leaders on media management.

M&A Communications, Change Management

Clarity of thought and strategic messaging are imperative for stressful situations that command change in company direction or teams experiencing new cultures. We bring specialised services for managing such trajectory shifts and make positive perceptions for long term stability.

Executive Leadership Positioning

Leaders must strategically differentiate themselves with authenticity to connect with stakeholders. We craft and curate your personalised strategy to build your CEO's personal brand.

Sustainability & CSR Positioning & Strategy

Purpose, Social Value and Sustainability as a business strategy are essential for organizations to pivot to protecting and preserving our environment and communities. We help define and develop your sustainability and CSR strategy, positioning and communications.

Meet Shubha Murthi

An HR and Social Development professional with over 30+ years of experience in Strategy, Program Planning & Implementation, and Government Negotiations. Her expertise lies in Employee Development, CSR, Women, Child & Youth development. She has worked across 60+ countries managing multiple stakeholders and handling over 1500+ projects while dealing with complex change management processes.

Shubha's Capabilities

CSR Projects

Partnership development and negotiations with state authorities and corporates on Policy and Program Development & Implementation. Also an expert on Monitoring, Evaluation, and Reporting.

Gender Equity & Diversity and POSH

Policies, Training, and POSH committee member. Investigation and Reporting. Assistance in developing gender equity and having diverse teams with inclusivity of the marginalised.

Culture & Change

Experience of working in 4 different continents. Guidance to teams to immerse themselves in an appropriate social and work culture to make programs success. Crafting policies and processes while appreciating the cultural nuance of the region and country.

Strategy

Expert in building strategies around CSR and Social Development followed by Implementation, Monitoring, Evaluation, and Reporting.

-

Testimonials

“Cube Highways enlisted Sanjay's expertise to facilitate recruitment for crucial management and senior leadership roles, as other prominent agencies fell short in providing suitable candidates. Sanjay leveraged his extensive HR background to comprehensively understand the precise requirements for these positions, swiftly assembling a focused list of potential candidates. His precise screening and prioritisation of candidates proved invaluable, enabling Cube to promptly secure the right candidates. Sanjay's exceptional proficiency in the field was evident throughout the hiring process!”

Sandeep Lakhanpal, Managing Director — I Squared Capital

“Working with Sanjay Sinha has been a game-changer. His deep professional knowledge, insights, and advice gave us the precise direction we needed. His perspective on matters was always accurate and helpful. An outstanding expert!”

Aditya Jain Non-Executive Director and Ex-Group Executive Vice President — HR, HCC

“I am thoroughly impressed with Sanjay Sinha's professional knowledge. His guidance was always timely and precise, helping us navigate complex challenges with ease. His expertise and advice were pivotal to our success. I highly recommend him!”

Vinay Sekar, Chief Executive Officer — Cube Highways InvIT
