

INSURING PROGRESS

PROFILE

Eurydice Insurance Advisory is a Bangalore based company formed and established in 2011. The founders of this organisation are well versed in the subject and have a combined experience of 20+ years which enable us to provide valuable financial advice which helps accurate in decision making.

We at Eurydice Services believe in creating a positive difference to every client with the help of our efficient team members who are committed to display professionalism, maintain integrity, ensure timely delivery and above all believe in creating meaningful relationships with every client. While our strength remains to be our dynamic team members, our new technologies extend support in adding value to our services.

MISSION

To thrive on the smiles of our customers by doing justice to their requirement.

VISION

To be the team who will be reliable during emergencies by insuring them appropriately and helping them through distress and by having PAN India Network
