REVIEW OF DOCUMENTS BEFORE SIGNING

General Understanding

- By asking the other party to prepare the legal documentation, we avoid legal expense.

Problem associated with it

- The person drafting the document **will** ensure its beneficial for them (I do 😊)

Need for review

- Not all are comfortable with legal language
- To ensure the document is mutually beneficial
- To look for hidden possible repercussions in future
- May not be as per “ORAL TERMS”

CEO VS CFO case

DEVELOPMENT OF WEBSITES AND MOBILE APPLICATION, SOFTWARE AND THEIR MAINTENANCE

- Broadly three type of online presence
 - Online presence
 - Online sale via website
 - Platform connecting buyers and sellers
- Unique terms of service based on
 - SERVICE - medical, legal, IT-ITeS, electricals etc
 - PRODUCTS – software, electronic gadgets, building materials like tiles, paint, steel etc, jewelry, etc etc.
- Unambiguous terms for development, customization and maintenance of SOFTWARE PRODUCTS at reasonable price
- Deep review of documents to safeguard customer interest

Intellectual property

- **Trademark**
- **Copyright**
- **Patent**
- **Digital Personal Data Protection (DPDP)**
- **Designs**
- **performer's rights**
- **Confidential information's such as
database, client list, secret formulae etc**

Payment Recovery

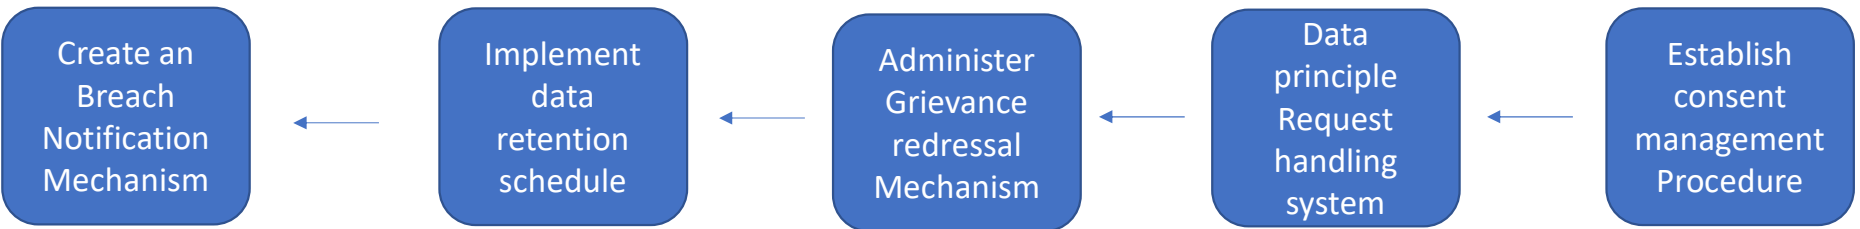

- Existence of opposite Party
- Ability of other person to pay
- Amount involved – Determine whether worth a legal battle
- Terms of Contract -
- Documentation
- Whether cheque issued
- Legal Notice
- Arbitration
- **Connect for PRO-TIPS**
