ABOUT US

Printech Solutions India Pvt. Ltd. was established in 1996 by Mr. B. Dinakara Shetty a first generation entrepreneur with an extensive management experience. Working with large organizations in various positions helped him hone his business leadership skills. He started with a modest remanufacturing unit out of a single office, today Printech Solutions is spread across Karnataka and counted among the best in the industry.

Printech Solutions is the Pioneer in the Printer Consumables Supply and Service for around two decades catering to the needs of Corporate, Government Offices, Financial Institutions, SME Companies, Manufacturing Entities etc. Our Evolution for two decades has enabled us to build a strong technical and commercial knowledge on providing the best service with most economical costs in Multiple districts and servicing around 3000 customers across Karnataka.

We believe in Win-Win Partnership with clients by providing Quality and Economical Solutions for all the printing needs of our customers. Now we are also trading partners of some of IT products and its consumable as well. We partner with big Brands like HP, Dell, Canon, Xerox, Konica Minolta, Microsoft, Fujitsu etc. to provide and cater to the complete IT needs of a company.

Our Vision for the Company is to "Build a Strong and Successful Brand in IT / Printing Segment which would be synonymous with Quality and Affordable Solution".
